

## WEST SUSSEX RAIL USERS ASSOCIATION

The West Sussex Rail Users' Association represents the interests of rail users in West Sussex along the Arun Valley on lines between Chichester, Bognor Regis, Littlehampton, Arundel, Pulborough, Billingshurst, Horsham and Crawley and Three Bridges as well as the West Coastway from Portsmouth to Worthing.

You can read more about us on our website [www.wsrua.org.uk](http://www.wsrua.org.uk).

We have regular discussions on the standard of service and timetable changes with the Train Operating Company, GTR, Network Rail, the Department for Transport (DfT), West Sussex County Council and local MPs.

We have also had discussions with local authorities and developers about the new housing developments around Horsham and Chichester that could add to the numbers using our trains. We have monitored and will continue to monitor Network Rail's plans for re-signalling plans shortly to include Littlehampton, Barnham and Bognor. We will also maintain our involvement on the programme to rebuild London Bridge station and the introduction in 2018 of the full Thameslink services.

To do this, we need a strong Association. To join the Association now using the slip below will cost you just £2 a year and for this we will keep you in touch with regular newsletters by e-mail. Exceptionally, we can send these newsletters by post but you will need to include four second-class postage stamps with the form and we will post the newsletters as soon as they have been printed.

We hold our Annual General Meeting in May each year when senior railway managers will be on hand to answer questions and respond to your complaints.

---

### MEMBERSHIP APPLICATION

I wish to join the Association and I enclose a cheque for £2 payable to the West Sussex Rail Users Association to cover membership up to 31 March 2017.

Name.....

Address .....

..... Postcode .....

E-Mail address ..... Telephone.....

I travel from ..... to .....
